

Key Stage 1 Creative Curriculum

Every school must offer a curriculum which is balanced and broadly based and which:

- promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society
- prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

At Key Stage 1 the Creative Curriculum provides a topic title, alongside the subjects to cover within the topic. Individual targets should be taken from bsquared for each of the subjects, and incorporated into one plan for the topic. There are Schemes of Work suggested, these are optional but can be used to support your planning, and can be found in the individual subject areas on the T Drive.

Key Topic title
Subjects to be covered
Schemes of Work
Whole school event

Core subjects		Foundation subjects				
These subject are taught throughout the year, please use the subject specific curriculum maps, found on the <u>T Drive</u> , to support your planning. Please refer to <u>Hillside Curriculum and Planning Guidance</u> document for more information. <ul style="list-style-type: none"> • English • Maths • Science • PE • RE • Computing • PSHE 		These subjects are taught on a half termly basis according to the creative curriculum map. One plan, incorporating targets for the subjects, needs to be created based around the topic. Please refer to <u>Hillside Curriculum and Planning Guidance</u> document for more information. <ul style="list-style-type: none"> • History • Geography • Art • Music (all based on the Lancashire Music Schemes of work) • Design Technology (Equals Units where specified)
