

Autumn 2017

Class 3

Over the autumn term class 3 have had regular FS sessions. During this period they have had the opportunity to care for guinea pigs and explore a variety of natural and manmade materials such as soil, sand water, wet and dry pasta clay/playdough, wood, leaves flowers, wool and string etc.

Everyone had lots of fun caring for our guinea pigs Nugget and Chips.

Baily is feeding them with fresh vegetables.

Which is the thinnest piece of veg?

Now it's time for a gentle stroke. They felt soft and warm and furry.

We all helped to make a warm bed of hay for Nugget and Chips.

Everyone enjoyed stroking Nugget and Chips.

Oliver looked closely to see their eyes, nose, mouth, ears and whiskers.

Can you see his eyes?

Oliver loves to stroke the guinea pigs.

We all had fun using tools

Baily and Oliver are using a hammer and nails.

Well done boys.

Leo loves to use the tap and pin hammer set.

Baily is trying out the saw.

We all had a lovely time outside collecting and sorting leaves and flowers.

Shakira enjoyed smelling the flowers.

We have explored different materials and sorted them into hard and soft, hot and cold etc.

Good work everyone.

Robyn enjoyed comparing hot and cold.

We all had fun exploring sand and water and wet and dry pasta.

Filling and pouring containers.

Robyn enjoyed playing in the dinosaur land play

tray  .

Baily and Oliver enjoyed exploring wet pasta.

We all enjoyed getting creative, painting, weaving, collaging and modelling playdough.

Wow Robyn that's amazing!

Leo made a lovely spiky hedgehog.

We made trees with leaves and trees with no leaves. We decorated them by weaving wool and string around the branches.

We used secateurs to cut twigs to make trees.

Longest at the bottom
shortest at the top, great
work Oliver.

This tree has no leaves.

Time for some sparkly decorations.
Well done boys.

This tree
has leaves.

Leo made a lovely
snowman.

Painting

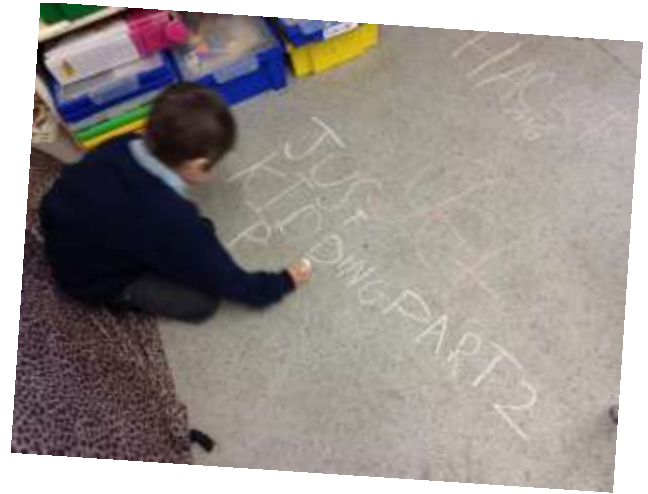

Baily painted a badger

Drawing

Writing

Walking enjoyed and collecting twigs leaves and conkers.

Well done everyone!
