Things I am looking forward to....

Getting to know everyone and finding out more about what the school is all about and how I can positively contribute.

As a Governor my role is to

- ensure that the school has a vision and strategy to provide the best experience for their students
- ask questions to assure everyone that the school leaders and managers are doing their jobs well
- make sure school monies are well spent
- listen to the school community
- I also ensure that the governing body complies with all legal and statutory requirements.
